JAPAN DAY

This week we had an awesome day all about JAPAN. It was so much fun for the students, teachers and SSO's. There were many activities happening during the day around our school including; sumo wrestling, manga (comic) drawing lesson, chopstick races, tea ceremony with Gilbey sensei, making rice balls with Garner sensei and Yokoi sensei, Japanese stories, kimono dressing up, various art activities, flag making, tamaire (ball game), playing with Japanese children's toys and origami. We were also very fortunate to have a yummy lunch, teriyaki chicken and noodles from the canteen.

Most students completed a passport, which I am sure they would love to share with you!

Congratulations to our WASPS football team taking out top spot at the 4/5 carnival on the 10th August.
Harley T, Ethan N, and Lucas P represented out school proudly and with great attitudes and all have had a lot of fun playing with students from Woodend Primary School.
Harley's dad Michael was one of the coaches and we would like to thank him very much for taking the time to coach and encourage the players, without our Volunteer parents we could not put a side together for the children to play the sport they love.

Survey request

ACCM is seeking your help to distribute its 2019 survey of parents and carer's satisfaction with the Australian National Classification Scheme (NCS) for movies, games and apps.

The URL for the survey is here <https://www.surveymonkey.com/r/Y7CTFSR>

ACCM ran a similar survey in 2017, but this one has been modified and updated, and will provide very valuable data for ACCM's ongoing review of the usefulness of the NCS and levels of protection for children that it provides.
